HUGE ORGY ON THE WATERS IN THE BAHAMAS

BN Agent, V

There is no place like Paradise and if you can have orgies in Paradise that must be off the chain as well. Yesterday a video circulated online and on whats app groups of a group orgy in The Bahamas on the open sea, hmmm! That's a whole nother can of paint and trust you me BN will not be stripping for those festivities. I mean most everyone is engaged in some sort of sex act onboard the boat except a few on lookers fully clad with their phones in their hands.

Call us dumb or dumber if you like but no clothes for us simply means no phones either. When reviewing our team had so many questions going through our head. How much was paid for the rogue cruise? Did the participants all know the nature of the cruise?
Was this a travelling orgie group of swingers? Was a nondisclosure agreement signed?

Growing up from back in the day you would've need parents consent to even go out, because once that video went viral trust me you was ga be in trouble. Even if you were off age with grandchildren, you still would be in problems if a video like this went out. The participants seemed so caught up in the moment that not one of them noticed that the camera was rolling. But buddy they sure did become famous over night and if fame was their goal, they have hit it head on.

If that wasn't enough and you thought it was all over the young man got up, picked up his shoe put it on and jogged down the street as if nothing happened.

Only in sun, sand and sea country can you see such a thing. I mean dude was knocked so hard that his shoe was knocked off of him. Well miss a sick. Talk about 9 lives this young man has so much to be thankful about.

CENTRAL BANK RELEASES 100 DOLLAR COIN AND 250 DOLLAR GOLD COIN

THE PENNY IS BEING ELIMINATED

AND A NEW SET OF COINS IS COMING AROUND

BN Agent, V

The Bahamas is progressing and is catching up with the world. With many of the European countries offering the gold coins it's nice to see similar offerings at home.

While the morning of gold and silver coins are nothing new previous coins minted were done so to commemorate landmark events and achievements such as 500th Anniversary, Golden Girls, Exuma wildlife and other signature event. With the offering date set at December 3. 2019 Bahamians can begin saving their money so they can purchase their share of the gold coins. It's an investment and one worth making.

BONGIE OF THE DAY IS AWARDED TO LANEISHA WHO PUTS HER FACE ON AWARD PIN

SIGH TALK ABOUT PIN THE TAIL ON A DONKEY

BN Agent, V

Now seriously who do you know wants to wear a pin with Larnisha Rolle's face. The blatant arrogance of this former police bully has landed her with a public beating from the PM, the reimbursement of funds spent for the hideous pins and the Junkanoo groups causing an overturn of the Young Minister plans for Junkanoo 2019.

What was the Minister thinking or was She? When ya go against the Junkanoo community ya gern against your supporters. Even Trump knows that. BN is not sure what the PM is going to do with this young reckless Minister...BN wishes to advise the PM save face tell the Minister a few of Trump's words "you're fired."

WENT THROUGH ALL OF THAT AND STILL HAVE TO PAY FOR IT BACK.

ABUSIVE LOVER SAYS HE WAS IN A RUSH TO GO JUICE THE FRIEND

BN Agent, V

In the many things, we have seen in relationship flaws this has got to be top 10. How does one get beat down, because their lover was in a rush to go and see his sweety. Girl it ain't that serious. First of all to be with a guy who ga' beat you and then to post evidence of the same on social media. Let BN tell you something NOT EVERYTHING IS SOCIAL MEDIA. We know you don't care cause if you did you would be gone to the Police to had lock him up. Instead of taking to social media. Imagine that and to add salt to your wounds he tells you he beat you because you was standing in the way of him juicing your friend. Call us conch and make us a salad what was you thinking girl.

The self esteem of our young women are so low that it makes them prey and victim to abusive relationship. This movie gat abuse, lies, jealosy greed and sex wow couldve been a hit if the story line wasnt so common. Gurlll find sense and move on with your life. These dudes who ga beat ya aint worth it. Unless you got one more movie you want star in.

BACK AT IT AGAIN

WITH ANOTHER ONE NAMED "THE NOISE IN THE MARKET"!

ALL JUNKANOO GROUPS SET TO PROTEST TONIGHT AT 8PM

BN Agent, V

So much can be said about someone who has no regard for their father and even more can be said about someone who has no regard for people. Those things that can be said are not nice or pretty. The days where the electorate felt they had no choice but to accept the disregard and disrespect of a sitting MP and Cabinet Minister are ova. At first opportunity, usually at the polls of a General Election the electorate comes prepared to change the sitting MP for someone who was all the long standing.

Minister Larnisha Rolle has dun it again and junkanooer's are not backing down and have showed the Minister that there are more of them than her and that their Junkanoo power is greater than any power she may have.

In a solidarity March in protest against the Minister's efforts to alter Junkanoo as they knew it. Junkanooers have been summoned to Bay tonight Thursday 7th November 2019@8pm for what we believe will be the largest bipartisan gathering of Junkanooers to display their unity and commitment to our culture.

What should be observed here is that this gathering is a type of no confidence protest against the Minister. Minnis beware drop dead weight and be returned or stay onboard of your sinking ship.

MINNIS PUTS GATE WITH BARBED WIRE AROUND THE ENTIRE MUD IN ABACO

BN Agent, X

The fence is up and it is barbed wire, construction is on the way to clear out the MUD! but there are some 75 families through out the land that are still squatting.

Some 75 families remain in The Farm shantytown on Abaco in the aftermath of Hurricane Dorian, and are stalling government efforts clear debris in that community, according to Public Works Minister Desmond Bannister yesterday.

Bannister said contractors commissioned to clear down the debris from the shantytowns on Abaco are waiting to get into The Farm but can't because of occupants.

He did not indicate how the government planned to address the matter during his contribution to debate on the Disaster Reconstruction Authority Bill 2019.

"There is some challenge with The Farm area because there are some 75 families that still live in that area," Bannister said.

"I know the government is looking seriously at what it can do.

"It cannot be in their best interest, in the interest of their health, in the interest of their wellbeing, for them to remain in that place.

"And so I know the government will take such action as it can, to ensure that that area is also going to be cleared at some stage.

He added: "We are going to do the best that we can. The contractors are ready to get in, but they cannot get in there while families are there."

Dorian pounded the islands of Abaco and Grand Bahama between September 1-3, claiming the lives of a confirmed 67 people — and displacing thousands, many of whom resided in shantytown communities in Abaco.

The Category 5 storm destroyed the two largest of the six shantytowns on the island – The Mudd and the Peas.

MAN SAY'S HAITIANS IN THE MUD SHOULD HAVE MONEY SAVED AFTER LIVING FOR FREE FOR 20 YEARS

BN Agent, V

So if you lived free for 20 years you should have enough money saved to go back home. We're words spoken by another Bahamian who is fed up with the aggression of the foreign nationals who think nothing of taking on a Bahamian.

They overpopulated the Mudd yet they had access to water and light and in many instances rent free living. With the Mudd destroyed these illegals are now desperately trying to blend amongst other Haitian nationals in local shanty towns.

It's vexing to see illegals work save their monies and send home for other illegals to come join them here in sun, sand and free.

The PM and Immigration Minister only need get serious about repatriation of illegals and persecuting those who harbor them and things will instantly get better.
